Madras High Court Judge Justice P.B. Balaji on Friday released 'Journey of Children', the Tamil Module (Vaandugal Payanam) and the Digital Module.

The main objective of the module was to promote constitutional rights education among children and teach the Constitution

to the children in an interactive manner.

Addressing the gathering, Justice Balaji said that it was a fantastic initiative. Through this, the children could easily understand the Constitution as it was made simple and in an interactive manner with stories, fun facts and anecdotes.
