

Attempt being made to disturb Madurai's tradition of social harmony

VCK General Secretary Thol. Thirumavalavan in the human chain protest organised by the Madurai Federation for Religious Harmony, in front of the Ulaga Tamil Sangam in Madurai on Thursday.

Madurai has a tradition of social harmony where equality and brotherhood is followed. The Sangh Parivar is conducting the Lord Murugan devotees conference in Madurai to disturb this harmony and keeping the 2026 Tamil Nadu Assembly Elections on their mind, said VCK president and Chidambaram MP Thol. Thirumavalavan, on Thursday.

Addressing the gathering at the Human Chain protest organised in Madurai by the members of Madurai Madha Nallinakka Makkal Kootamaipu, Mr. Thirumavalavan said that BJP, Hindu Munnani and the Sangh Parivar who have never voiced for the public with respect to several issues had earlier tried to divide the people through the

Tirupparankundaram issue. Now, they are attempting to disturb harmony though the conference.

They have never spoken for precedence to Tamil in the temple rituals and are taking steps to eliminate the findings of Keeladi and Tamil civilization. The Sangh Parivar is trying to use the method which is being used by them in the North to divide the people. The people of Tamil Nadu should stay united and oppose the attempt being made to disturb communal harmony, he said.

Advocate S. Vanchinathan, the Coordinator of the forum, said that the conference organised by Hindu Munnani is not a religious conference, but was a political conference targeting the 2026 Assembly elections. Mixing religion and politics is dangerous. In the North, they divided the people in the name of Lord Ram and here they want to do the same in the name of Lord Murugan, he said. He urged the State government to monitor the conference and ensure that communal harmony is not disturbed.

Earlier, Mr. Thirumavalavan visited Tirupparankundram and interacted with the people. Addressing media persons, he said that an attempt had been made to divide the people. But, there was no enmity between the people and they have remained united.
